Monday 29th June

To the fantastic children of Cropwell Bishop Primary School

I hope you are all keeping safe, being well behaved for all the adults in your family, being kind to your brothers and sisters and enjoying choosing some of the activities on our home learning grids.

All the staff here at school are missing you very much and cannot wait to see you again. We hope that we will all be able to be back together in September. We are waiting for the government to let us know how we need to get our school ready so we can all be safe together.

At the moment, we have some children at school every day. These are the children of parents are doing 'Key worker' jobs such as being doctors and nurses, teachers, carers, farmers, delivery drivers, supermarket shop workers and lots of others.

We also have some children from Class R, 1 and 6 coming for a few days every week.

Indigo and Blue bubble have messages for you all!

"I can't wait to see you again!" "I am sorry you can't come to school." "At school we have been playing games." "At school we have been in Olivia's Wood." I hope you are well"
"What have you been doing at home?" "Have you played outside?" "We have been busy at school doing Science, Maths and English."
"We miss you" "Can't wait to see you back at school."

We cannot have assemblies in the hall altogether so we have them in our classrooms and Miss Hussey talks to all the children remotely through our interactive screens. Today Miss Hussey told the children all about a frog she found on her bathroom floor one morning! Here are two pictures, one of him on the bathroom floor and one next to a pond where we set him free. It was a very unusual find at 6.30am!

We have thought very carefully and tried very hard to make some more space at school but sadly won't be able to have any more children back here in classrooms until September.

Hopefully your parents and carers will have told you all about which class you will be in in September and who your new teachers and support staff will be. I have written a letter to your parents and carers to invite you to meet your new teacher and spend some time outside with half of your class. This will only be able to happen if your grown-ups would like you to come and if the weather is nice so keep your fingers crossed for the rain to stay away!

It will be so lovely to see you all again. Remember to keep smiling and remember how proud of you we all are.

Take care

Miss Hussey and Mr Lee
