

Working from Home Menu 13

Here's the final grid of the year with work for this week and some activities to dip into over the summer ready for Year 5.

It's sad we haven't been able to get together for such a long time, but we wish you all a wonderful holiday and look forward to seeing you around school in September. Stay safe and have fun! Mrs Simpson and Mrs Palmer x

<p>Find out how what authors do and how they go about their writing. This is called authorial intent. Then think about a book you really enjoyed and write a book review to discuss with a grown-up or share with a friend. Activities and book review template at: https://www.bbc.co.uk/bitesize/articles/z2ycf82. Keep reading during the summer!</p> <p style="text-align: right;"></p>	<p>Make sure you know your times tables inside out! Keep using TTRS, Hit the Button or any other way of practising you prefer. Go to https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check which is like the Y4 test you would have done this summer to see how you're progressing.</p> <p style="text-align: right;"></p>	<p>Find time to complete the attached Maths Activity booklet. It gives you the opportunity to revise and practise lots of Y4 skills and help you get ready for Maths in Y5.</p> <p style="text-align: right;"></p>	<p>You were reminded about symmetry on last week's knowledge organiser and it can also be seen in nature. Create your own patterns and create a perfectly symmetrical butterfly. https://www.woodlandtrust.org.uk/blog/2020/03/kids-nature-activities-self-isolation/ Make the attached ID dial and go butterfly spotting!</p> <p style="text-align: right;"></p>
<p>Following on from the recent work on shape and co-ordinates, learn about translating shapes on a grid. Follow the attached powerpoint then have a go at the worksheets. Answers are attached to check your understanding.</p> <p style="text-align: right;"></p>	<p>Spellings this week are words which are often spelt incorrectly so take care! Which of the words can belong to different word classes? Think of sentences to show how the word can be used in different situations. Check the Y3 & 4 spelling list attached and practise any words you find tricky.</p> <p style="text-align: right;"></p>	<p>With holidays approaching, take the Moji Road Trip! Solve the mystery of the secret destination by tackling a variety of Maths problems along the way!</p> <p style="text-align: right;"></p>	<p>Learn about Aboriginal dance and music and its place in storytelling. Then delight your family by making your own didgeridoo! Use your knowledge of Aboriginal art to decorate it with traditional colours and patterns.</p> <p style="text-align: right;"></p>
<p>Take a look at the English Summer activity pack to revise and practise a variety of skills including reading comprehension, composition, grammar and punctuation. Make sure you are confident with the terminology and aim to make your writing as accurate and interesting as possible!</p> <p style="text-align: right;"></p>	<p>Learn and practise the names of French speaking countries using the activities attached and then find the countries on a map.</p> <p style="text-align: right;"></p> <p>Stay safe out and about this summer. The roads are much busier now so remind yourself about crossing the road safely (attached).</p> <p style="text-align: right;"></p>	<p>Learn amazing facts about Australia's spectacular and special Great Barrier Reef. https://greatbarrierreef.com.au/great-barrier-reef-facts-for-kids/ Pick your favourite facts to create a poster or short presentation to inform others. You might also want to watch https://www.youtube.com/watch?v=J2BKd5e15Jc which explains why reefs are such important habitats, why they're endangered and what we can do.</p> <p style="text-align: right;"></p>	<p>Watch the clip about Aboriginal Wildlife Painting and be inspired to try your own! https://www.bbc.co.uk/bitesize/clips/ztn34wx</p> <p style="text-align: right;"></p>
