22nd January 2021

Dear Parents and Carers,

I hope this letter finds you and your family well. Another week has flown by and we've made it to Friday!

It has been another productive week at home and school, with the children again trying hard and producing some great work. The teaching staff have been delighted with the uptake of children accessing 'home-learning' calls and assignments – thank you so much to all for your efforts in supporting this.

As I have said previously, please don't overly worry if your child cannot complete all the work on a given day. However, do try to encourage them to join the calls whenever possible, this way the teachers have chance to speak with them and outline the learning for day. It's also a good opportunity for them to ask answers questions about things they are unsure of.

Please could I ask that the teams calls are not recorded and shared via other devices this is to safeguard all our children. Thank you for your co-operation with this.

A little reminder, we still have our food bank drop off at the gate, if you have any donations, they would be gratefully received at what is such a difficult time for many.

I will be sending another letter to all the children on Monday, if you are able to please spare five minutes to share this with your children. Thank you.

As always, please do not hesitate to contact me if you have any concerns or I can help in anyway.

Keep well and take care,

Mrs Cook
