

The Pupil Premium is funding in addition to the school's budget. Schools are free to decide how to allocate this funding to best support the raising of attainment for the most vulnerable pupils in the EVER 6 group (those pupils who have ever be eligible for free school meals in the last 6 years. In 2017/18 the school received £14520 in Pupil Premium allocations.

The Pupil Premium is used in a variety of ways. These include:

- Additional TA support to deliver personalised intervention programmes.
- Provision of extra-curricular activities for children both in an out of school.
- Provision of nurturing and counselling sessions.
- Additional resources/equipment such as Social and Emotional resources and Dyslexia friendly reading books to meet pupil needs.
- Enabling pupils to participate in school residential and educational trips through the provision of additional staff or financial support for families.
- 1 to 1 support for those with significant additional needs.

Impact of Pupils premium spending

In Maths 64% have reached the expected standard for their year group. 21% have achieved GDS. All have made expected progress from their starting points.

In Reading 58% have reached the expected standard for their year group 14% have achieved GDS. All have made expected progress from their starting points.

In Writing 43% have reached the expected standard for their year group. 7% have achieved GDS. All have made expected progress from their starting points.

Some children in receipt of the PPG have made progress in line with their individual targets which are very specific to particular individual additional needs.

Plans for the Use of Pupil Premium 2018-19

Continue as above. Use highly skilled teaching assistants to support with pre/post teaching.
