

Primary Progression Map for Key Concepts/Big Ideas of Geography: Physical

	EYFS	KS1	Y3/4	Y5/6
Physical	<ul style="list-style-type: none"> Identify things in a location that are living (not human made) Describe the weather and name different types of weather Identify how the weather changes what they do Identify how we might dress for different weathers Observe how the woodland changes over the year Start to identify and name physical features such as those listed in KS1 	<p>Identify, describe and understand key aspects of</p> <ul style="list-style-type: none"> seasonal & daily weather patterns (UK & local scales). hot & cold areas of the world <p>Identify, describe and understand key physical features such as: hill, stream, slope, river, lake, sea, ocean, island, waves, land, soil, rock, beach, mountain, wood, forest, cliff, coast, valley, season, weather</p> <ul style="list-style-type: none"> Identify the basic biomes (water/aquatic, land/terrestrial) 	<ul style="list-style-type: none"> distribution of natural resources Introduction of climate zones and biomes (aquatic, desert, forest, tundra, grassland) vegetation belts and the water cycle 	<ul style="list-style-type: none"> distribution of natural resources climate zones and biomes cont rivers (with links to previous learning about the water cycle) and coasts volcanoes, mountains and earthquakes
Possible Questions	<ul style="list-style-type: none"> How do you get to school? What do you see on your journey? Can you describe what you can see? What is the weather like today? 	<ul style="list-style-type: none"> What season is it now? How do we know? What is your address? What key physical features can they see in the place they live e.g. river, hills etc? Can you describe a given place (non-European)? Can you describe features associated with an island? Can you find the longest/shortest route? What makes a locality special? 	<ul style="list-style-type: none"> Why is X a popular holiday destination? What are the main features of a village? What are the key differences between cities and villages? Why does a locality have certain physical features? 	<ul style="list-style-type: none"> How are earthquakes created? Why do people's lives vary due to the weather? Why does a locality have certain physical features?
