Cost - £14.00 for a half-hour lesson

Lessons will be invoiced in advance for each half term.

There may be a possibility of group lessons which would reduce the cost. This would depend on the level of interest and availability. Please email me if you would be interested in this option.

It will be necessary to hire or purchase an instrument, there are a number of options available. If you would like further information about the lessons and options for instrument purchase/hire please complete the contact form below or email sarah.trevers@outlook.com
