

## Year 1 Working from home menu!

In the table, there are a selection of activities to choose from that range in complexity and time allocation. The stars link to the time spent on each activity. For example, a four star activity will need more time than a two star one. Colour your stars in. You can challenge yourself to see how many stars you can colour in a week!

Week 7 Monday 18<sup>th</sup> May 2020 (Focus – Amazing plants)
