

THE HALF TERM CHALLENGE

We have created three challenges for you to try this half term holiday. Try as many as you like and send your pictures or videos to class1info@cropwellbishop.notts.sch.uk.

Explorer challenge - make a Spring collage.

1. Explore your garden or have a look out your window.
2. Look around you, what can you see! Are there flowers, plants or trees that you like?
3. Identify 3 or 4 of your favourite Springtime natural objects and create a collage by sticking, drawing or taking a picture.
4. Try labelling the objects of what you find.

Some of my favourite spring pictures.

Musical challenge - make music at home.

1. Visit Myleene's Music Klass via <https://bit.ly/3bukREc> who shows you how to make great music using lots of objects from home.
2. Good musical objects are bowls, pans, lids and plastic bottles.
3. Check before you use an object at home.

Myleene in action.

Springtime superhero challenge - create your own superhero.

1. One of my favourite stories is Jack and the Beanstalk. Jack was a bit like a superhero climbing the beanstalk and finding all the gold.
2. Draw and describe your Springtime superhero.
3. What would they look like? What would their name be? What would their superpower be?

A superhero example to help.

Be creative and use your imagination.
