

Our play area fundraiser

Thank you for helping us raise money for our school play area.

The existing school play area has reached the end of its life and is not economically viable to repair. Together, we need to raise £50,000 to fund the installation of a new 'all-weather' play area for our children and future generations.

Help us reach our goal

- **£15** pays for a climbing hand hold
- **£25** buys a 1 metre square of new all-weather surfacing
- **£40** buys a hand rope
- **£60** buys a stepping stone
- **£100** buys a connecting beam

Make a donation
