In the table, there are lots of different homework activities to choose from. You **MUST** complete the activities that are **coloured grey each week**. At least **one 4-star activity** must be completed in a half term. You can choose to do whatever you like each week, however by the end of the half term, you must have earned 20 stars. When you have completed a homework task, put a cross through the box and colour in the number of stars you achieved. If you manage to earn 20 stars or more over the half term, you will earn a sticker.
