

Year 4 Home learning grid Summer 2 2025

In the table, there are lots of different activities to choose from. Please try to complete the activities that are in a **coloured grey box at least once a week, these activities will earn you 2 stars for the half term.** At least **one 4-star activity** must be completed. Aim to earn at least 20 stars. **You can choose to do whatever you like each week, however by the end of the half term, you must have earned 20 stars. When you have completed a homework task, put a cross through the box and colour in the number of stars you achieved. Always remember our e-safety rules when using the internet for any of the activities. We hope you enjoy reinforcing your learning at home and look forward to celebrating your amazing work in school!**

RE: In RE this term, we have been thinking about praying and caring. Make an act of kindness jar by decorating a jar with sequins, buttons and stickers and then filling it with decorated cards with an act of kindness written on each card. Each morning, take a card out of the jar and try to carry out the act of kindness at least once during the day. Don't forget to send us a picture of your jar and tell us some of the acts of kindness you have performed on Teams. 	History: Make your own fact file or poster of any period of history you've studied in Year 4: WW2, Victorians/changes in the local area or settlers in North America. Design and present your work as you wish. 	English: - Dream Destinations: Use your most powerful writing skills to describe a holiday location. This could be real or imagined, somewhere you have been or would love to go! Make interesting word choices, use your senses and include descriptive features such as simile. Remember you're painting a picture with words! 	SPaG: Play Crystal Explorers on BBC Bitesize and choose 'Challenge' and then 'Punctuation'. The activities are short and really quite good fun! Apostrophe, commas and speech punctuation are particularly useful. https://www.bbc.co.uk/games/embed/crystal-explorers?exitGameUrl=https%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fbm8scw 
Maths: Brentwell Airport welcomes thousands of people travelling to and from many different countries around the world. You will need to solve many time problems and help keep the airport running smoothly. Your maths challenge has been set on Teams for you. 	DT: Upcycle a piece of clothing on the North American theme or one of your own choice. Ideas sheet (including putting on your own fashion show) on Teams. 	Reading Read at least 3 times a week and record in your reading diary. (This will also move you one step closer to a reading prize in class) 	Computing: - Explore the '2Paint a picture' 2Do' you have been set. Use the specialised painting tools to help you to create your next masterpiece! 
Science- Have a go at making your own Minibeast Hotel, there is an activity sheet on Teams to help you or you could go to https://www.woodlandtrust.org.uk/blog/2019/09/how-to-build-a-bug-hotel/ for some inspiration. Don't forget to attach a photo of your hotel on Teams or send it into us. 	Maths Keep your arithmetic skills sharp by regularly playing Daily Ten which covers many key aspects of number. You can play against the clock and challenge yourself with different levels of difficulty. Daily 10 - Mental Maths Challenge - Topmarks 	Music: We are learning about the pentatonic scale used in many well-known songs. Find one you like and write or draw a response to it. Some of the most well-known are on 11 Examples Of Songs That Use The Pentatonic Scale (hellomusictheory.com) . 	Spelling: Practise your spellings each week ready for your test each Friday. See if you can reach gold or platinum level this year!
