OPTION 1

Health For Kids Website

This website offers a fun, engaging and interactive way for children to learn about health. It links parents and children to appropriate health and wellbeing services.

You can download articles into other languages at the click of a button on the ReachDeck task bar.

How to translate the website

You can translate the website using the symbol highlighted in the image below. By clicking on this symbol, you open an options menu with different languages. Once you select the language of preference, the page will be automatically translated.
