

Year 4 Home learning grid Spring 2 2026

In the table, there are lots of different activities to choose from. Please try to complete the activities that are in a **coloured grey box at least once a week, these activities will earn you 2 stars for the half term.** At least **one 4-star activity** must be completed. Aim to earn at least 20 stars. **You can choose to do whatever you like each week, however by the end of the half term, you must have earned 20 stars. When you have completed a homework task, put a cross through the box and colour in the number of stars you achieved. If you manage to earn 20 stars or more over the half term, you will earn a reward.**

<p>RE Get creative and make an Easter Garden and/or make some delicious hot cross buns! Please send in some photos of your creations. Use the sheets provided to help you.</p> <p style="text-align: center;"></p>	<p>History: Can you find out why the road names in Cropwell Bishop have their names? Use the following link to go to the Heritage page on the Cropwell Bishop Village Plan to help you and then fill in the grid on Teams. https://cropwellbishopplan.co.uk/heritage.html Remember our E-Safety rules when using the internet.</p> <p style="text-align: center;"></p>	<p>English: Read the poem "The Sound Collector" (attached). Have a go at writing your own poem following this model. Go on a sound walk around your home & garden and find as many sounds as you can to include in your own poem. Try to use powerful vocabulary and some expanded noun phrases. For example: "The excited barking of a playful dog.". You can also illustrate your poem if you like.</p> <p style="text-align: center;"></p>	<p>SPaG: Use our learning on speech to punctuate the sentences correctly. Remember to punctuate the spoken sentence <u>inside</u> the inverted commas and remember the stop right at the end.</p> <p style="text-align: center;"></p>
<p>Maths: Practise using your understanding of fractions and mixed numbers. (2 stars) Work out the perimeter of the shapes. Good addition practice too! (2stars)</p> <p style="text-align: center;"></p>	<p>DT In DT this half term, we are making shell structures which is a hollow structure with a thin outer covering. For homework, we would like you to make a shell structure of a local landmark or building which we would love you to bring into school so we can display them.</p> <p style="text-align: center;"></p>	<p>Reading Read at least 3 times a week and record in your reading diary. This will also move you one step closer to a reading prize in class.</p> <p style="text-align: center;"></p>	<p>Computing: Test your coding skills by having a go at the following 2Dos set on Purple Mash. Fun with fish. Bubbles. Air traffic control.</p> <p style="text-align: center;"></p>
<p>Science- Using the sheets provided, explore ways you can <u>see</u> sound and see if you can explain how a sound travels from a source to our ears. If you don't have a musical instrument, you can clap, use your voice or make a simple "stringed" instrument using rubber bands and card. For more activities, visit Sound - KS2 Science - BBC Bitesize</p> <p style="text-align: center;"></p>	<p>Maths Complete at least 15 minutes of TTRS Garage mode each week and make sure to finish at least 5 Soundcheck activities to practise for the times tables test. Extra practice at home will help strengthen confidence and recall of the times tables.</p> <p style="text-align: center;"></p>	<p>Wellbeing: Play the Healthy Eating and Living Game with a friend or relative, which is attached to Teams. Alternatively, you could have a go at making your own Healthy Eating game to play with a friend.</p> <p style="text-align: center;"></p>	<p>Spelling: Practise your spellings each week ready for your test each Friday. Use the Spelling Shed activities to help you learn the rules.</p> <p style="text-align: center;"></p>
<p style="text-align: center;"></p>			<p>Extra stars:</p>
