

## Homework menu (Spring Term 2 – 2026) Year 6

In the table, there are lots of different homework activities to choose from. You **MUST** complete the activities that are **coloured grey each week**. At least **one 4-star activity** must be completed in a half term. You can choose to do whatever you like each week; however, by the end of the half term, you must have earned 20 stars. When you have completed a homework task, put a cross through the box and colour in the number of stars you achieved. If you manage to earn 20 stars or more over the half term, you will earn the homework reward. Bring all of your completed homework (along with this grid) into school to show me by **Monday 23<sup>rd</sup> March** in order to earn the homework reward.
