

Year 1 Summer Term 2026 Newsletter 1st Half Term

Welcome to the Summer term. We hope that you had a lovely Easter break and enjoyed lots of chocolate eggs! Now we are fully rested we are ready for another busy term at school.

Parent's evenings are on Tuesday 28th April and Thursday 30th April. There is an online booking system in place. Please see our school website for information.

Main Curriculum Areas for this half term

English – We will be reading 2 more books this half term, 'Pig the Pug' by Aaron Blabey and 'Lost' by Oliver Jefferies We will be working on how to add exciting and adventurous words into our story writing.

Reading – Please continue to read with your child regularly (at least 3 times a week), it really will make a huge difference to their reading achievement. When you hear your child read, please write a short comment in their reading record book. We will carry on with our Class Reading Beanstalk as a reading reward chart.

Phonics and Spelling – We will be continuing with our weekly phonic spelling quiz, on a Monday (unless it is a Bank Holiday in which case it will be on the Tuesday). Please support your child to practise their spellings, they do love getting their reward certificates! We have now covered all the RWI sounds and are consolidating our learning by reviewing. You may find some spelling words are repeated from previous quizzes, this is intentional. It is important that children now begin to spell these words correctly in all their written tasks.

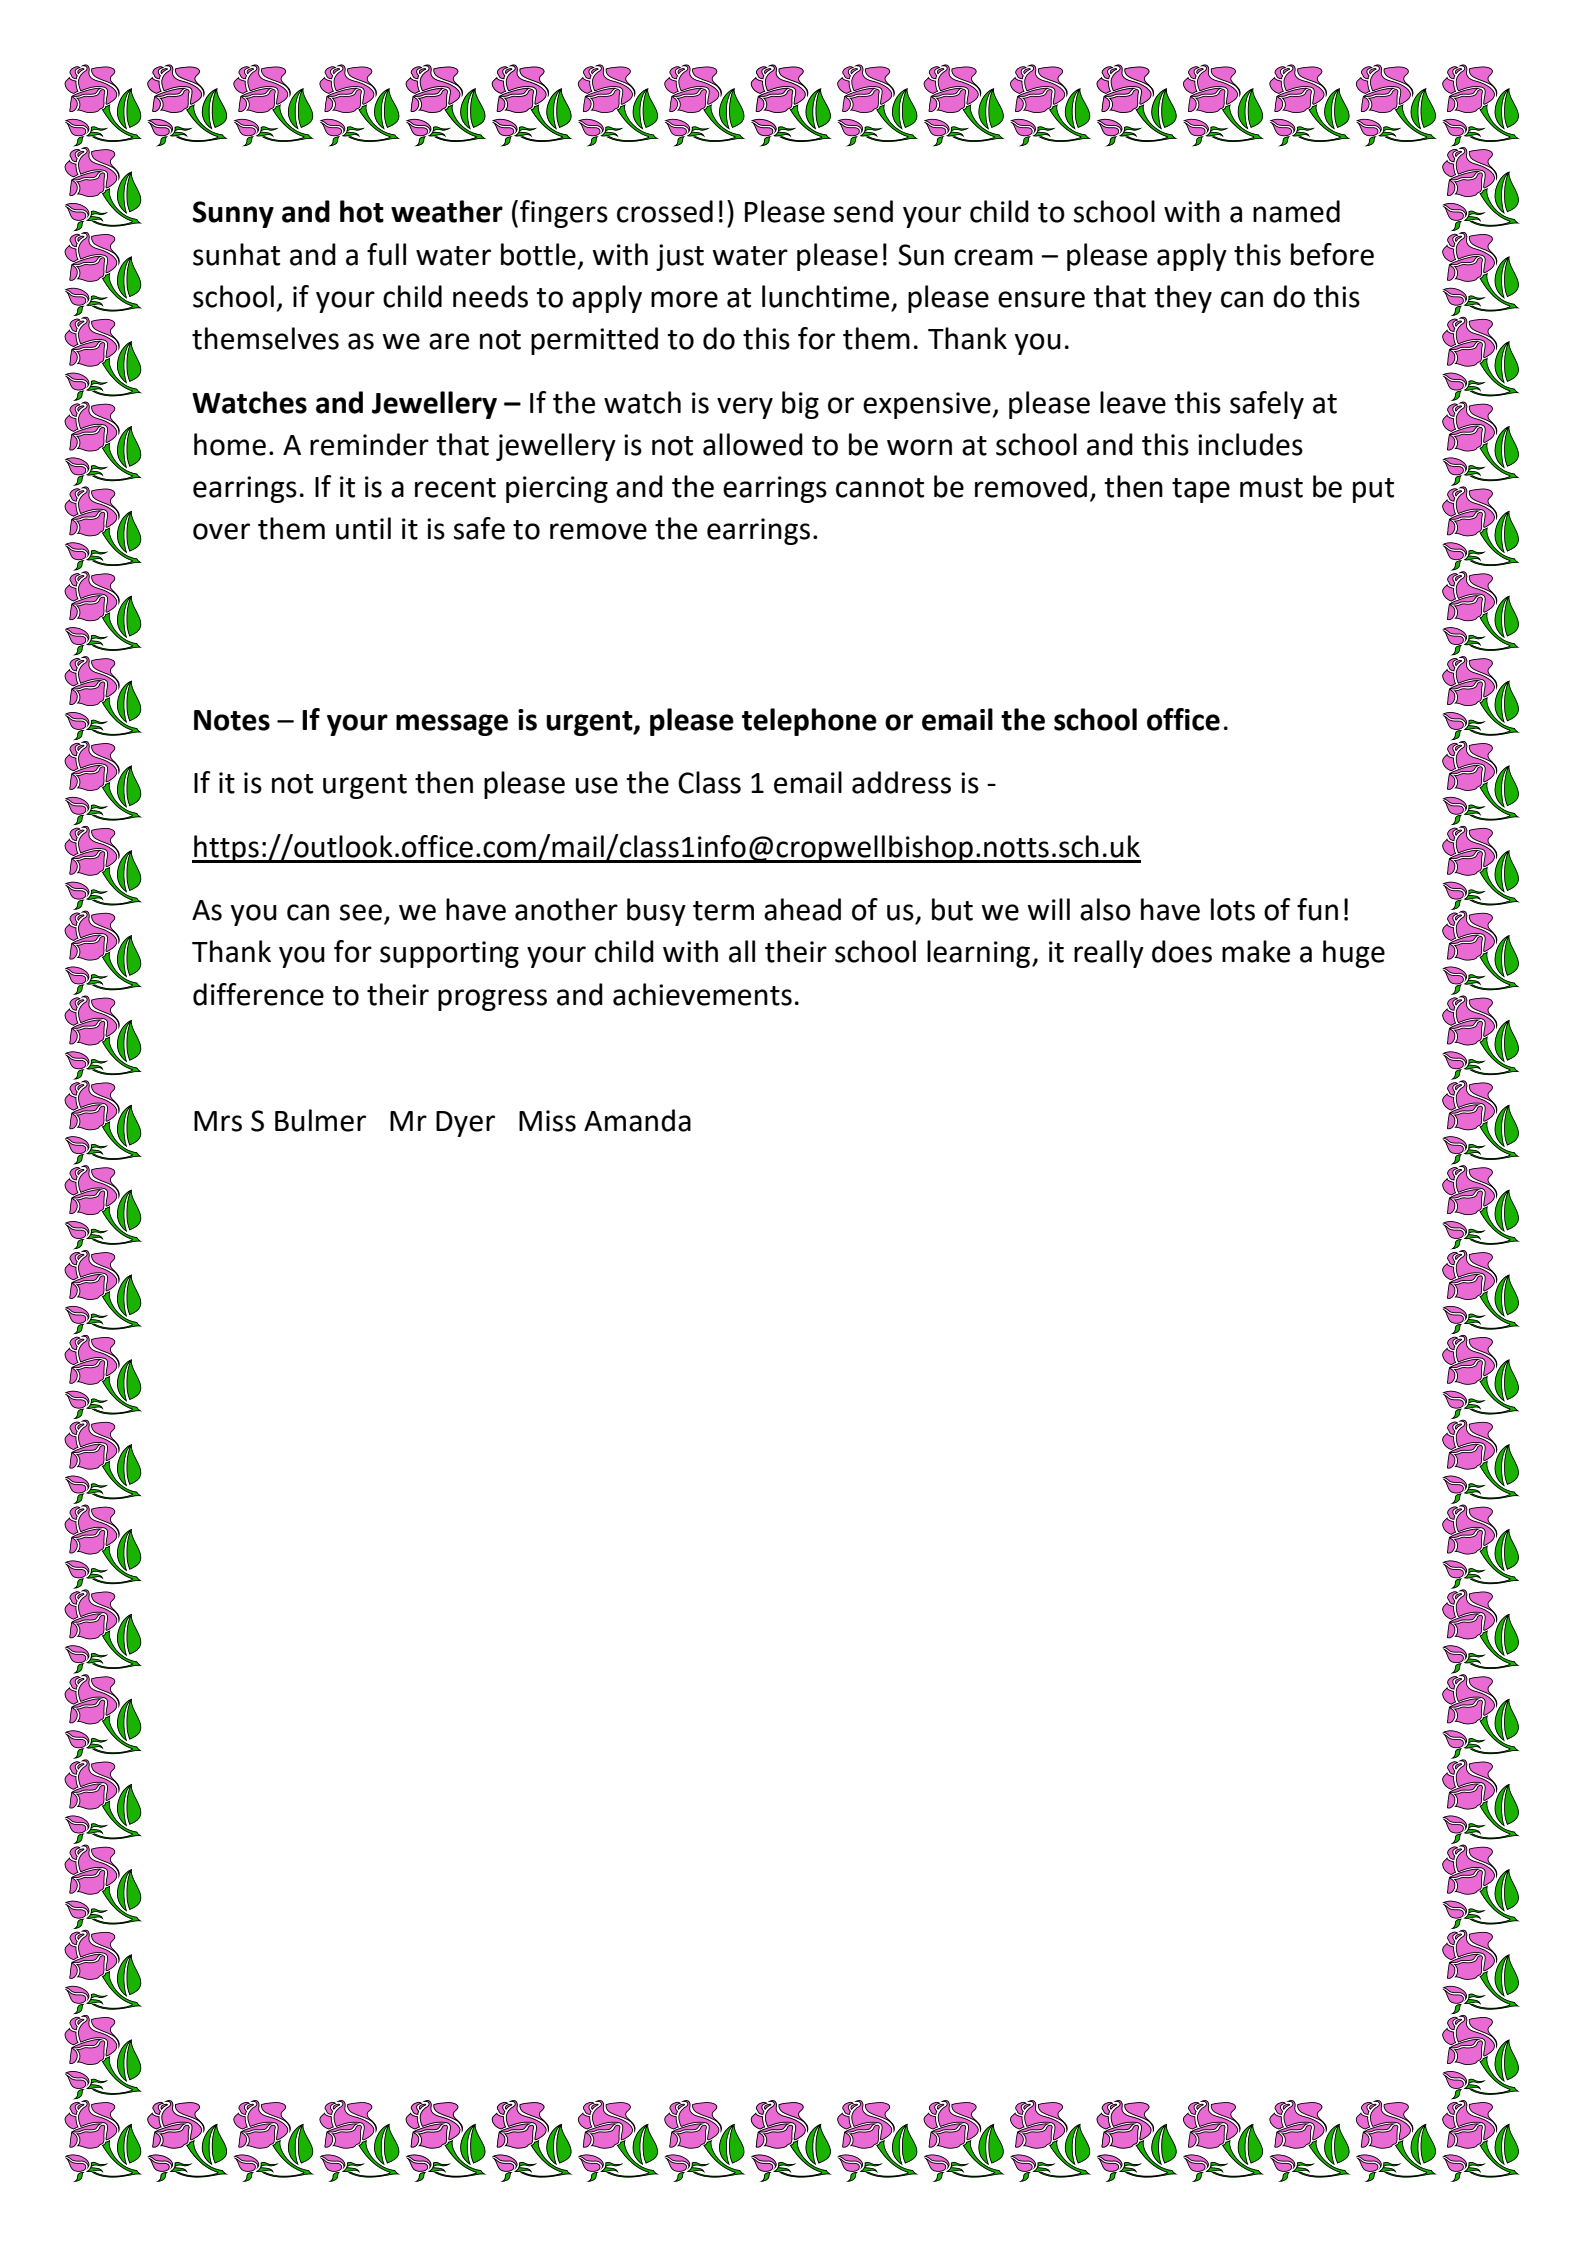

Maths – We will be looking at multiplication (grouping) and division (sharing) by 2s, 5s and 10s. We will then move onto fractions.

Science – We will be starting our new topic 'What is so special about plants?' this topic will last for the whole term, until July. We will be learning about the structure of plants, types of plants, names of some common wild, garden plants and trees. We will also be spending some time growing and looking after plants in our Year 1 garden in the Key Stage 1 playground.

Geography – We will be following up on our seasonal walks by looking at why we have such distinct seasons in the UK. We will also be learning about the weather in the UK, the daily and seasonal weather patterns and changes.

PE will continue to be on a Wednesday and a Friday. We will be learning striking and fielding unit. We will be practising our throwing and catching skills. Now that the weather is better, we will be doing some PE sessions outside so please could you make sure that your child has PE shoes and clothes that fit and are named.

RE- From Creation to Shabbat. The Jewish belief about Creation and how Jewish people have a day of rest each week called Shabbat.

Sunny and hot weather (fingers crossed!) Please send your child to school with a named sunhat and a full water bottle, with just water please! Sun cream – please apply this before school, if your child needs to apply more at lunchtime, please ensure that they can do this themselves as we are not permitted to do this for them. Thank you.

Watches and Jewellery – If the watch is very big or expensive, please leave this safely at home. A reminder that jewellery is not allowed to be worn at school and this includes earrings. If it is a recent piercing and the earrings cannot be removed, then tape must be put over them until it is safe to remove the earrings.

Notes – If your message is urgent, please telephone or email the school office.

If it is not urgent then please use the Class 1 email address is -
