Pride, Perseverance, Kindness, Respect

Welcome to Cropwell Bishop Primary School

Cropwell Bishop Primary School is a successful school set in the heart of the community. We are partnered with Burton Joyce Primary School as The Acorn Federation which is part of Equals Trust.

Our school values of Pride, Perseverance, Kindness and Respect are at the centre of all we do. We nurture our young people to reflect these values by promoting co-operation and support for everyone in our community and developing respect and awareness of others and their needs. We have high expectations of each other and are proud of our high standards and achievements.

We aim to provide a wide range of engaging and stimulating learning experiences through which our children can flourish to the best of their abilities, gain a positive self-image and enable them to progress on a path as a happy and successful lifelong learner.

You will find all the information you need on the website. If there's anything else you need, please contact us. Our school's ethos and aims are in our 'Mission Statement', though I would strongly encourage you to visit our school, when possible, to fully appreciate our school strengths and unique 'family' feel. A warm invitation is extended to all parents and carers to attend any of the events arranged by the school and our wonderful PTA – Friends of the School.

We look forward to welcoming you to our school very soon.

Lunch Time

At Cropwell Bishop Primary School, the children have a choice of staying for a school meal or bringing in a packed lunch. Meals are served by cafeteria system.

School meals are cooked on the premises with a varied and balanced menu through the week. The menus are on a 3-week rota and can be found on the school website.

Meals are charged at £3.15 per meal, £15.75 per week. Children in Reception, Year 1 and Year 2 are entitled to a daily Universal Infant Free school meal (UIFSM). Prices subject to change in September 2025.

Packed lunches may be brought from home, but we do request to parents to maintain a good, healthy, nutritional base to these. To help keep everyone safe and healthy, we ask that children do not bring hot food in flasks or fizzy drinks into school.

For safety reasons, **grapes** should always be **cut lengthways** into halves or quarters to reduce the risk of choking. We also ask that children do not bring food in glass or pottery containers, as these can easily break.

We are a nut-free school, which means no nuts or nut products should be brought in lunchboxes. This helps protect members of our school community who have serious nut allergies, and we really appreciate your support with this.

Special Diets and Allergies

We are committed to making sure that all children can enjoy a healthy school meal, whatever their individual needs.

If your child has specific dietary requirements, for example due to allergies, intolerances, or religious or ethical beliefs, please let us know and we will do our best to make suitable arrangements.

If your child requires a medical diet (for example due to a diagnosed food allergy, intolerance, or a medical condition such as Type 1 diabetes), please use the link provided by the school to request a tailored menu.

<https://orders.lunchhound.co.uk/medicaldiets/request>

Claiming for Free school meals

We want to make sure that as many eligible pupils as possible are claiming their free school meals - even if your child is currently receiving a Universal Infant Free school meal (UIFSM). Registering for income/benefit-related free school meals will enable your school to claim their 'pupil premium allocation'. Pupil premium is additional funding that can help support your child in school. More information about pupil premium can be found on the school website via this link.

<https://www.cropwellbishop.notts.sch.uk/key-information/pupil-premium/>

Qualifying benefits for Free School Meals

Free school meals are available to pupils in receipt of, or whose parents are in receipt of, one or more of the qualifying benefits:

- Universal Credit (all families receiving Universal Credit are eligible from September 2026, regardless of income).
- Income Support.
- Income-based Jobseeker's Allowance (JSA).
- Income-related Employment and Support Allowance (ESA).
- Support under Part VI of the Immigration and Asylum Act 1999.
- The guaranteed element of Pension Credit.
- Child Tax Credit (with no Working Tax Credit) with an annual gross income of no more than £16,190.
- Working Tax Credit run-on (paid for the four weeks after the person stops qualifying for Working Tax Credit).

If you are unsure whether you qualify, we strongly encourage you to apply. From September 2026, all families receiving Universal Credit are eligible, and applying may also provide additional funding and support for your child's school.

Registering for Free school meals

Registering for free school meals can be done online via the Citizens Portal.

[Citizen Portal - Logon \(nottscc.gov.uk\)](https://nottscc.gov.uk)

The information you will need to register includes:

- Personal details (including national insurance number and date of birth) for the parent/carer.
- The child's full details including their date of birth and the school they attend.

Parents unable to apply online should contact Nottinghamshire County Council on 0300 500 80 80
More information regarding Free school meals can be found at:

[Free school meals and milk | Nottinghamshire County Council](#)

Milk and Fruit

Free milk is provided for all children under the age of 5 and for those children receiving free school meals. Milk can also be provided for all children at cost of around £20 per term, this is paid, by parents / carers, directly to Cool Milk.

All children who wish to have milk in school must be registered on the Cool Milk website:

[Order school milk for your child | Cool Milk](#)

Registration and payments must be made by Tuesday evening to receive milk the following week. Fruit is provided free of charge for all Reception, Year 1 and Year 2 children. One Piece of fruit or veg is available each day for example an apple, banana, pear, tomato or carrot.

KS2 children may bring a piece of fresh fruit or veg to school for break time. No other forms of snack are permitted.

Payments to school

School operates a cashless payment system. All payments for school meals, trips and other events are made via our school system, Arbor.
Details on how to make payments will be issued to you when your child starts at school.

We ask that all school meals should be paid for in advance. The current cost is £3.15 per meal (£15.75 per week). Please note that prices are reviewed regularly and may be subject to change from September 2025.
Trips and other events will be added to the payment system as they arise, and you will be notified in advance.

Attendance

School attendance is a priority for our school and we are constantly monitoring pupil attendance. We want to work together with parents/carers to help ensure excellent attendance and punctuality for all pupils from an early age. The following information shows how school attendance can affect your child's future progress.

Above 97%:	Above 97%. Less than 6 days absence a year: Excellent attendance! Pupils with this attendance should achieve the best grades they can leading to best possible start in their secondary education.
95%:	95%. Less than 10 days absence in a year: Pupils with this attendance are likely to achieve their target grades and will be well prepared for starting secondary education.
90%:	90%. 19 days absence over the year: Pupils with this attendance are missing a month of school per year and may fall behind in Maths and Literacy; it will be difficult for them to achieve their best.
85%:	85%. 29 days absence in a year: These pupils are missing 6 weeks of school a year, it will be very difficult for them to keep up and achieve their best.
80%:	80%. Pupils with this attendance are missing a day for every week of school. It will be almost impossible to keep up with work. Parents of pupils with this level of attendance could be issued with a Penalty Notice.

Every day in school counts...

...and every minute counts...

Absences

If your child is absent from school, please contact the school office of the first day of absence and every subsequent day before 9.15am. Our telephone system gives you the option to leave a message to report your child's absence; please leave your child's name, class and reason for absence.

Cropwell Bishop Primary School 0115 989 2250 office@cropwellbishop.notts.sch.uk

If your child is absent from school without notice, the school will text/telephone/email the parent/carers on every day of absence if the school have not been notified.

Children returning to school after illness should clearly be fit to do so and free from infection. If your child suffers from a bout of sickness or diarrhoea then you should keep your child off school for a minimum of 48 hours after the last episode.

Holidays During School Time

New government regulations state that 'head teachers may not grant any leave of absence during term time unless there are "exceptional circumstances"'. As a consequence, holidays taken during school time will be recorded as unauthorised and may lead to a fine. These regulations have come into place because of the negative impact non-attendance has on the progress and learning of children.

It is strongly advised that holidays are only taken during school holiday times, thereby ensuring the minimum disturbance to your child's education. Please find link to our school holiday dates below.

<https://www.cropwellbishop.notts.sch.uk/news-events/calendar/>

If you do find it necessary to request an absence during term time, it will continue to be necessary to complete a leave of absence form. These are available online, using the link below, on the school website. The request will be considered in line with the government's guidelines.

Link to the online Request for Absence from Learning (holiday form). Please complete the form giving the recommended 4 weeks' notice, whenever possible.

<https://forms.cloud.microsoft/e/r6eqGqieqD>

School Closures

On very rare occasions the school may be unexpectedly closed due to very severe weather or internal problems (e.g. flooding, no heating). Parents will be contacted by text/email - please ensure we have your up-to-date mobile numbers and email addresses.

If severe weather occurs overnight, please do not telephone school, but listen to Radio Nottingham or Capital FM. All school closures are broadcast at regular intervals when we have unexpected weather conditions. Closures will also be posted on the home page of the school website.

<https://www.cropwellbishop.notts.sch.uk/>

If the weather deteriorates during the school day, and you are concerned about travelling, you may collect your child from school early, but they will not be allowed to make their way home unaccompanied. Please phone or email the school office in advance for safeguarding purposes.

Medicines

Please be aware the school is unable to administer any medicines unless they are prescribed by a doctor.

If your child needs to receive medication during the school day, the medicine should be taken to the school office in the original container and a medicine administration permission form should be completed giving written details regarding dosage, time etc. Medicine forms can be found on the school website using the following link. Paper copies are available on request from the school office.

<https://www.cropwellbishop.notts.sch.uk/parents/medication/>

Where medication needs to be taken during the school day, children will be encouraged to take responsibility (where appropriate for their age) for coming to the school office at the agreed time.

We do ask that, wherever possible, medication is given at home, for example before and after school or at lunchtime. In many cases, dosing times can be adjusted so that medication is not required during the school day. Children who require inhalers will have them stored safely in the classroom so they are easily accessible when needed.

Inhalers and Asthma Care

Before we can support your child, we ask that an **asthma consent form** is completed.

Parents and carers are responsible for ensuring that:

- An **in-date inhaler** is provided for school
- It is clearly labelled with your child's **name, class and dosage**
- It is checked regularly to ensure it has not expired or run out

If your child needs to use the school's emergency salbutamol inhaler, we will always inform you in writing, explaining why it was required.

We appreciate your support with this.

Friends of School – FOS
Cropwell Bishop primary school

Dear Parent/Carer,

Welcome to Cropwell Bishop Primary School, which is a member of **Equals Trust**. We hope you and your child will be very happy with us and that we will be able to work together to achieve the best we possible can for you.

Equals Trust is a multi-academy trust comprising 12 primary schools in the Rushcliffe and Gedling areas. Being geographically close means that the schools can work together on developing good practice, sharing ideas and school improvement priorities. It also means we can provide excellent cost-effective services for the schools through joint commissioning. The Leadership Group of Head Teachers organise school improvement and is involved in the strategic direction of the Trust. This is unique to **Equals Trust** and means that decision making is consulted on at all levels, with school leaders, local governing bodies and their communities maintaining their school's ethos and unique identity. They also have a wider perspective through mutual accountability and a strong collaborative approach. This enables everyone to have ownership of the strategic direction of **Equals Trust** and a strong sense of belonging. We hope you will enjoy being part of the **Equals Trust** family.

Everyone involved with **Equals Trust** believes passionately that collaborative working raises educational standards and improves life chances for the children within the trust partnership. Teaching and Learning are at the centre of all we do, providing an exciting curriculum and enrichment opportunities that challenge and excite them; for example each of our schools is part of a British Council global education project 'Stories of a lifetime' linking and exchanging with schools in Tanzania. We share expertise and great practice, providing professional development and the resources to achieve this; for example through joint curriculum INSET days.

The schools work on curriculum development together, but they retain the essence of what is distinctive to their school and local community. We strongly believe in providing a wide range of enrichment activities to the children in our care in addition to a national curriculum to ensure that children make the best possible progress and social development. Through our EQT Improvement Planning process we are always looking for innovative ways to enhance our pupils' experiences; for example an e-safety project that produces a regular e-magazine, a maths hub with Southwell Minster Teaching School and an iPad maths project organised by our Distinguished Apple Educator. We hope your child will be involved in our inter-trust activities including storytelling, football, Boccia and frisbee competitions and a whole Trust singing extravaganza at the Albert Hall.

Our Governance Structure ensures there is support and accountability in all areas at all levels. This includes Local Governing Bodies and Head Teachers at a local school level through to overall Board Level and ultimately the Members who ensure the principles of our philosophy are the basis for all decisions. As parents you will be asked for your views on your school and consulted on areas of your child's education. On occasion we will also ask for your support in shaping the direction of **Equals Trust**.

We hope this has given you some insight into **Equals Trust** and the exciting advantages for your school of being a member. Please see our website : www.equalstrust.org for any further information or contact our office in Keyworth.

Best Regards
