

Homework menu! (Autumn Term 1) Year 2

In the table, there are lots of different homework activities to choose from. You **MUST** complete the activities that are **coloured grey each week**. At least **one 4-star activity** must be completed in a half term. You can choose to do whatever you like each week, however by the end of the half term, you must have earned 20 stars. In the last week of half term please bring your named work in a wallet to be shared with the class. When you have completed a homework task, put a cross through the box and colour in the number of stars you achieved. If you manage to earn 20 stars or more over the half term, you will earn 10 Dojo Points.

Practise your spellings each week, ready for your spelling quiz on Friday. 	English Draw a picture of a bear and write a descriptive sentence about them. 	Write about how you have demonstrated one of our 'School values' Perseverance, Respect, Kindness, Pride. 	Art Landscape drawing. Create a landscape picture. It could be your garden or the park. Maybe a favourite place to visit? 
Geography Walk around Cropwell Bishop. Draw the different features of the village. The sort between physical features and human features. (Don't forget to label your pictures) 	Computing Design an E-Safety poster. Playing safely while using the internet, being careful of pop ups or links to other games or websites 	Read at least 3 times a week. 	Maths Place value- Have a go at partitioning different two digit numbers into 10s and 1s For example: $26 = 20 + 6$ Or two 10s and 6 ones 
Science Can you find different examples of how materials have been used at home and around Cropwell Bishop. Make a list of materials, how they've been used and why their properties make that material suitable. 	Practise your time-tables or play on NumBots at least once a week. (Numbots can be accessed via TT Rockstar login stuck in your reading record). 	Personal Achievement Bring in something you'd love to share to the class. For example, a swimming certificate, medal/ trophy, picture of yourself doing an interesting activity. You will be able to share with the class on the last week of term. 	Maths Practise counting in 2s, 5s, and 10s forwards and backwards.
